**Response to Non-Final Office Action mailed 01/03/2007**

Enclosed are the amended set of claims filed with the USPTO (dated 10/16/2007) which are marked up to reflect our agreed upon changes in the draft you e-mailed to me on 02/28/2007. A few editing corrections have been made to correct mistakes in the text not reviewed in this e-mail.

**ENCLOSURES**

- PTO/SB/21 Transmittal form
- A copy of your Office Action mailed to me on 01/03/2007
- Amended claims
- Clean version of how the claims will read

**REMARKS**

**1. Claim Objections**

The changes documented in your e-mail on 02/28/2007 correct these objections to amended claims 7,8.

**2. Claim Rejections - 35 USC § 101**

Amended claims 7-9 clearly describe the code generation of the hybrid Walsh complex codes and the code implementation in the encoder of a CDMA transmitter and in the decoder of CDMA receiver
